

# TOOWOOMBA SECOND RANGE CROSSING

CONSTRUCTION UPDATE

November 2018

## Warrego East, Helidon Spa - western u-turn facility (Paynters Loop Road) opening

From **Monday 3 December 2018** there will be restricted vehicle movements at the median between Postmans Ridge Road and Twidales Road. The western u-turn facility (Paynters Loop Road) will maintain access for westbound traffic needing to access Postmans Ridge Road and travelling to Brisbane.

### The opening of the permanent u-turn facility will:

- provide access from the existing Warrego Highway to Postmans Ridge Road from the east by taking the TSRC exit, turning left onto the off-ramp and travelling on the u-turn facility to rejoin the highway eastbound, before turning left into Postmans Ridge Road.
- enable access from Twidales Road to the highway eastbound by turning left from Twidales Road and following the travel path outlined above.

**The median opening between Postmans Ridge Road and Twidales Road will only cater for vehicles travelling east on the Warrego Highway and wanting to turn right onto Twidales Road. All other movements will be prohibited until the eastern U-turn facility is completed in 2019, including:**

- right turns out of Postmans Ridge Road onto the Warrego Highway going west. These vehicles will need to u-turn using permitted u-turn facilities or at the Gatton interchange.
- right turns into Postmans Ridge Road from the Warrego Highway travelling west. These vehicles will need to use Paynters Loop Road.
- right turns out of Twidales Road onto the Warrego Highway travelling east. These vehicles will need to use Paynters Loop Road.

**Please see a map over the page for more details.**

Further information will be provided by the Department of Transport and Main Roads in the coming months about construction of the eastern u-turn facility which will provide access from the Warrego Highway to Twidales Road for eastbound traffic.

Please take care when driving through this area, pay special attention to signage and speed limits. For more information on traffic changes in the area, visit **nexusTSRC** on Facebook, [nexusTSRC.com.au](http://nexusTSRC.com.au), **QLDTraffic** online, or phone **1800 131 940**.

## Use of western u-turn facility (Paynters Loop Road) from 3 December 2018
